Safeguarding

As a visitor, volunteer or new member of staff, it is important that you are aware of our Safeguarding Procedure. Safeguarding is defined in law as agencies working together to; protect children from maltreatment, prevent impairment of young people's health or development, ensure that young people grow up in circumstances consistent with the provision of safe and effective care, and take action to enable all young people to have the best outcomes

There are 4 main categories of abuse:

Physical abuse
Sexual abuse
Emotional abuse
Neglect

Abuse however can include:

- Domestic abuse
- Online abuse
- Child Sexual Exploitation (CSE)
- Child Criminal Exploitation (CCE)
- Female Genital Mutilation (FGM)
- Bullying and Cyber-bullying
- Child Trafficking
- Grooming
- Peer on Peer Abuse
- Harmful Sexual Behaviour

Disclosure by a Young Person

If you should be approached by a young person wanting to talk, you should listen positively and reassure the young person.

If you can, try and ensure a degree of privacy, but this may not always be possible. Whilst this can be an alarming situation to find yourself in, it is important not to let the moment pass for every young person that does finally disclose information, evidence shows that they have usually tried up to 12 times before.

Helping A Young Person When Abuse is Disclosed

Be prepared to listen and comfort, however hugging is not advised; Do not show revulsion or distress however distasteful the events are.

Stay calm and controlled; Do not make false promises for example that you will keep the abuse a secret or that the police will not be involved.

Try to limit your involvement to listening; if you need to ask questions make sure they are open and non-leading. A young person can only be interviewed once.

Safeguarding Procedure

1. Immediately contact Safeguarding Lead or Deputy
2. All staff members involved need to complete a statement using a Pastoral log.
3. Keep your statement objective and factual remembering these documents may be used in a court of law if required. Pastoral logs can be found in the staff room, on CHIPS or requested from a member of the team.
